

ZARCONE PHOTOGRAPHY LLC

CAPABILITY STATEMENT v1.3 FINAL

Service-Disabled Veteran-Owned Small Business (SDVOSB)

Institutional Visual Documentation • Commercial Photography • Multimedia Services

Mission

Preserve what matters so today's moments become tomorrow's institutional memory.

Company Overview

Zarcone Photography LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing professional visual documentation, commercial photography, and multimedia services to educational institutions, corporations, nonprofit organizations, and community partners, with the SDVOSB certification and operational readiness to support government agency engagements.

Every assignment begins by understanding its purpose. We prepare carefully, work professionally within institutional environments, and deliver publication-ready visual assets that faithfully preserve not only what occurred, but why it mattered.

Led by West Point graduate and Service-Disabled Veteran Tom Zarcone, the company combines more than four decades of photographic experience with disciplined planning, responsive communication, and dependable owner-led execution.

Core Competencies

- Institutional Visual Documentation
- Official Event & Ceremony Documentation
- Executive & Environmental Portraiture
- Public Affairs & Mission Storytelling
- Commercial & Brand Photography
- Mobile Studio Operations
- Multimedia & Short-Form Video
- Professional Post-Production & Secure Digital Delivery

Institutional Partnerships & Experience

Project history reflects sustained partnerships with educational institutions, athletic programs, corporations, nonprofit organizations, and community partners. This experience demonstrates reliability and consistency required for institutional-grade documentation and is not presented as prior federal contract performance.

- Official Media Partner — Bridgewater-Raritan High School Football
- More than a decade documenting educational and athletic programs
- Corporate, nonprofit, and community event documentation

The Zarcone Difference

Photography documents what happened. Visual documentation preserves institutional memory.

Most organizations need more than photographs—they need an accurate, dependable visual record of the people, events, and milestones that define their mission. Every assignment is approached with disciplined preparation, contextual understanding, and a commitment to faithfully documenting moments of lasting significance.

Key Differentiators
